Subject: Sanction to the entertainment of extra staff of two measurers and three bag stitchers in Gundlupet Taluk.

In enclosing herewith the letter No.CS.3-210/46 dated the 24th March 1947 together with a copy of its enclosure, received from the Deputy Commissioner, Mysore District recommending sanction for an additional Depot staff consisting of two measurers and three bag stitchers in Gundlupet Taluk during the pericd from 1.1.1945 to 30.4.1947 and 1.1.1945 to 30.7.1946 respectively, I have the honour to state as follows:-

2. The basic scale sanctioned for Government Depots, provides only for the entertainment of two measurers for each Depot and there is no provision for the appointment of bag stitchers.

3. The Depots at Gundlupet and Terakanambi it is reported, functioned as combined Depots, the former as Taluk Reserve Depot and Purchase Depot, and the latter as Purchase and Sales Depot. Hence, the work and transactions in these were too heavy and there was need for extra staff. It is also reported that these arrangements have resulted in savings to Government as the work of two Depots, was got done by single Depots and no extra menial staff was entertained.

4. The Auditor & Accounting Officer who was consulted in the matter opines that the sanction of Government may be obtained.

5. I request you, therefore, kindly to obtain sanction of Government for the entertainment of the extra staff as detailed hereunder.

(a) Two Lascurers on Rs.11/- p.m. each from 1.1.1945 to 30.4.47 (one at Gundlupet and one at Terakanambipet)

(b) Three bag stitchers on Rs.10/- p.m. each from 1.1.45 to 30-7-46 (Two at Gundlupet , and one at Terakanambipet).

I have the honour to be,
Sir,

With reference to your memo No. B.1.C.4502/46-47 dated 31-12-1946 returning this office letter of even number dated 27-12-1946 and calling for further report regarding the above, I have the honour to enclose herewith a copy of report No.CS.111/46-47 dated 1-3-1947 together with statements showing the quantities of food grains handled in the two purchase depots under reference received from the Amildar, Gundlupet taluk. The work and transactions in the purchase depot at Gundlupet are reported to be heavy as this depot is serving both as a purchase depot and also as a Taluk Reserve depot. In addition to purchases of food grains as a purchase depot, the Reserve depot transactions relating to the procurement of monthly quotas of food stuffs, sugar, wheat and wheat products and their supply to other sales depots in the Taluk are also being managed in the purchase depot at Gundlupet without any extra expenditure for running a separate Reserve depot. Hence, it is necessary to sanction the extra staff appointed by the Amildar as furnished in the enclosed statement.

As regards the extra staff continued in Terakanambi Purchase Depot, it may kindly be seen from the report of the Amildar that both purchase and sales transactions were being made in the purchase depot itself, till 2-7-1946 as there was no sales depot during the period.

The above arrangements made by the Amildar have resulted in savings to Government as the work of two depots is being managed

P.T.O.

by the purchase depots at Gundlupet and Terakanambi and only the barest minimum extra staff has been appointed.

In the foregoing circumstances I request you kindly to obtain early sanction of Government to the appointment and continuance of the extra staff as noted below.
